01 PROFILE

I am Badr Saleh, born in Hadhramaut Governorate, Shibam Directorate. I completed my primary and secondary education in Directorate. Later, I traveled to Bangalore, India to study English language for six months at Institute English Focus, graduating with excellent rating. After that, I joined the Faculty of Applied Sciences at Seiyun University, specializing in Computer Science. I participated in many volunteer and charity activities and attended several specialized courses, including learning Arduino, software engineering, and others. I graduated from university in 2023 with a GPA of 89.75%. After graduation, I took numerous courses in various fields such as job skills, entrepreneurship, and mobile application development. Currently, I am working as a Junior engineer at Jisr HR Company in Hadhramaut Makalla.
